SUBJECT: POLAND: LET OPERATIVES PRENOTIFICATION DELIVERED

REF: STATE 4359

Classified By: ECON Counselor Richard Rorvig for Reasons 1.4(b) and 1.4(d)

[¶1.](#) (C) On January 18, Econoff shared reftel points with the Polish government regarding USG plans to submit the names of four LeT operatives to the UN 1267 sanctions committee. Econoff met separately with representatives from the Polish Ministry of Finance's Department of Financial Information, and the Ministry of Foreign Affairs' Department of Security Policy.

[¶2.](#) (C) Both ministries appreciated the information but had no immediate reaction. The MFA official, Marian Siemakowicz, was interested in additional background information on LeT and what other countries had the group on their national terrorist lists. Econoff provided this background information and named eight countries.
